

From £55

Family sessions From £55

These are location sessions and will be individually priced. My starting price is £55 for 1 child and you will receive digital images with an online gallery to view, download and purches any products.

Newborn From £55

The best time for newborn photos are within the first 3 weeks! however I offer my newborn shoots up until they are 6 months as i know how hecktic life gets when a new one enters the world. The basic price is just for photos of the new baby, however if you would like photos with siblings or parents then please contact me for a quote. you will receive digital images with an online gallery to view, download and purches any products.

from £200

2 Hours £200

This includes ceremony pictures and family photos afterwards. You will get 75 digital images with an online gallery to view, download and purches any products.

4 Hours £650

This can cover either bridal or groom getting ready, ceremony and family photos or it can include ceremony, family and reception photos. You will receive 250+ digital images with an online gallery to view, download and purches any products.

Full day coverage £1200

This will inclued full day images which start at getting ready until first dance. This package will be at least 8 hours and will also include at least an hour of couple images where the newly married couple get to spend some time reflecting on the events of the day away from the madness of the wedding, this can be at a seperate location to the wedding. You also get an engament shoot included which can be arranged a few weeks or months before the wedding. You will receive 500+ digital images with an online gallery to view, download and purches any products with a 50% discount code.

Engagement Shoot £55

A location shoot. This can be used as a practice as some people dont always feel comfortable infront of a camera however I can promise you will have a calm and relaxed time. Or it can just be a time to get some cute couple photos! You will get a handfull on an online gallery to view, download and purches any products.

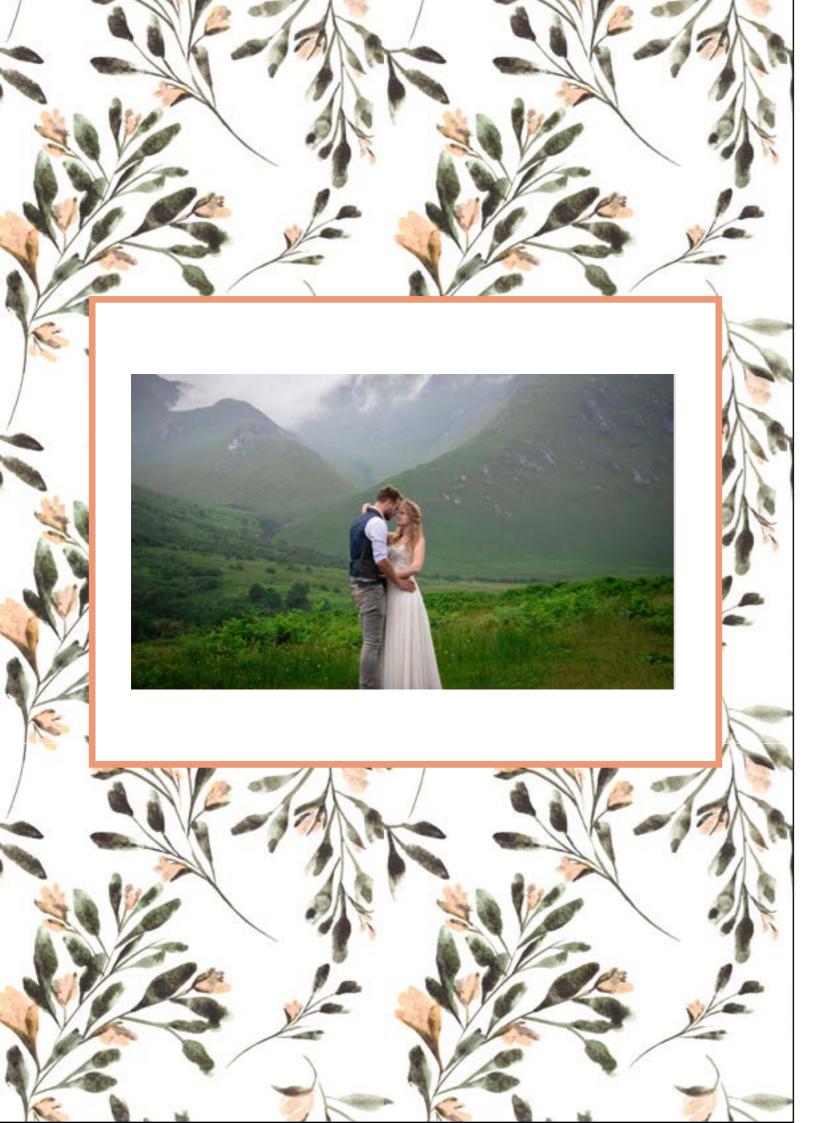

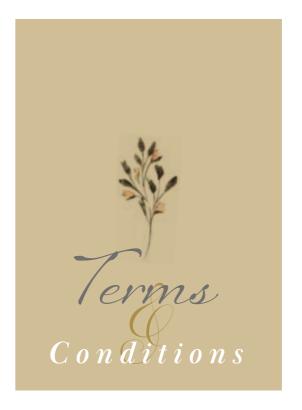

As there is with anything in life i lunn a few Ts&Cs nothing huge or unxpected!

Travel: With location shoots obviously i will be driving so withing 20 miles it will be free however anything more will be charged £2 per mile.

Prices are subject to change however you will be notified if such things happen.

I put my heart into every shoot i do however if the images are not to your liking or not what you expected unfortunatly the time would already have been spent on them so no refunds will be issued.

Deposits: for each shoot a non refundable deposit of 20% will be needed at the time of booking. if no deposit has been paid no booking will be made.

In the event of a loss of images due to tecnical issues i will do my best to recover anything! photos will be saved on 2 sd cards at the time of shooting and will then be backed up onto the cloud. however if anything does get lost a 50% refund will be issued if not resolved.

All minors under the age of 18 must be accompanied by an adult.

Carters Camera does not hold any liability to an injurys caused while at location shoots and/or can not be held responsible.
